This isn't a talent show, but a coffee house/open mic event, where you share your heart in song, giving praise and honor to our Lord.

Vocalists and instrumentalists are encouraged to participate. If you have no desire to perform but you love the Lord and just want to enjoy what others share, please come and join us!

We invite soloists, duets, trios, quartets, bands, choirs, praise teams, traditional, contemporary, rock, bluegrass, and southern gospel; all are welcome. Bring your own music in the form of instruments, CDs, or mp3. We have a keyboard if you need one, however you will need to provide a pianist. All music must be in the Christian genre. Performing slots are first come first serve, unless you have reserved a spot.

Refreshments will be available throughout the evening.
