

Why shop
when you can swap?

PURSE SWAP

Bring in your gently used purses (clean, in good condition and not hopelessly outdated, although vintage is ok) and swap one with one of the other gals. All additional bags will be loaded with personal care goodies, and pocket book “stuff” and then donated to a women’s shelter.

After a delicious lunch and a little fun, we will spend the remainder of the time filling each purse with the goodies and prayers.
