February "Pastor's Pick":

BIBLICAL THEOLOGY by Nick Roark & Robert Cline

Ladies, join us for breakfast at the Frederick Golden Corral on Saturday, February 29th at 8:30. We will be sharing what's going on in our Women's Ministry throughout the coming year. Please let Cindy know you plan to attend.

"Benevolence Fund" envelopes are used to give above and beyond your tithes and offerings. The monies donated are gifts designated specifically for benevolence: a last resort, when an individual requests temporary financial assistance during a time of crisis. This individual may or may not be part of PVBC. These funds are disbursed at the discretion of the deacons and pastor.

Leap Years are needed to keep our modern day Gregorian Calendar in alignment with the Earth's revolutions around the sun. It takes the Earth approximately 365.242199 days – or 365 days, 5 hours, 48 minutes, and 46 seconds – to circle once around the Sun, called a tropical year. However, the Gregorian calendar has only 365 days in a year, so if we didn't add a day on February 29 nearly every 4 years, we would lose almost six hours off our calendar every year. After only 100 years, our calendar would be off by almost 24 days!

THE UNSEEN WORLD

Did you know that the microbes on just one of your hands outnumber all of the people on the earth? Or that millions of microbes could fit into the eye of a needle? These one-celled, living organisms are too small for us to see without a microscope, yet they live in the air, soil, water, and even in or bodies. We constantly interact with them, even though their world is completely beyond our senses.

The realities of the spiritual world are also often not visible to us humans, as the prophet Balaam discovered. He was trudging along the road with his two servants when his donkey “saw the Angel of the Lord standing in the way with His drawn sword in His hand” (Numbers 22:23). To avoid the angel, the animal walked into a field, crushed Balaam’s foot against a wall, and lay down with Balaam still on her back. Balaam was angry and struck the donkey. He didn’t realize something supernatural was going on—until God opened his eyes (v.31).

The Bible tells us that a spiritual world does exist, and we may sometimes encounter realities from that realm—both good and bad (Hebrews 13:2; Ephesians 6:12). Because of this, we are encouraged to be watchful, prayerful, and prepared. Just as God rules the world we see, He also rules the unseen world.
