WELCOME TO PVBC

If you are a guest, it is our privilege to have you here! We trust your worship experience will be a blessing to you and your family. We are a very warm and loving church body, but due to the pandemic we are refraining from hugs and handshakes. All children and workers in are required to wear face masks or shields and will have their temperature taken. Social distancing and other safety measures are taken. Nursery (infant-24mos) and Preschoolers (2-5yrs) meet in their classroom and are picked up by parents there. Older children (K-5th grade) begin in the sanctuary until after Children's Corner when they are dismissed to their class in the Fellowship Hall, where parents will pick their children right after the service.

For the wellbeing of others, please wear your facemask so it covers your nose and mouth. We have additional hand sanitizer and masks at the Welcome Booth. We will assist in finding an empty pew with sufficient seating for families who would like to sit together.

Since 1955 the mission of The Hope Center at Hagerstown Rescue Mission is to offer help for today and hope for tomorrow by providing programs and services to meet the physical and spiritual needs of men, women, and children.

Their vision: a hunger-free community where everyone in need has access to good quality, nutritious food through God's grace and abundance in Jesus Christ.

For many years, The Hope Center has served the physical and spiritual needs of those less fortunate in Hagerstown. They receive food for their stomach and spiritual food for their soul. They continue to address a growing need in that area that would be much worse if it were not there.

HOPE EXPANDED is their renovation project: to better provide for the needs and welfare of their people. Their kitchen facilities and dining area need to be modernized to assure a clean and safe environment. This renovation and expansion project will more than double their food services area which allows them to feed over 42,000 neighbors in need!

Help make this new kitchen and expanded dining area become reality. Their “Victory Goal” is \$650,000 which will provide the necessary funds to build the new kitchen and expand the dining area. They also have a “Challenge Goal” and a “Faith Goal” should they exceed the “Victory” level. All gifts are tax deductible. For more information about this project, go to: www.hagerstownhopecenter.com/renovation

You can give online, by phone, or by mail.
