If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth.

Since 1955 the mission of The Hope Center at Hagerstown Rescue Mission is to offer help for today and hope for tomorrow by providing programs and services to meet the physical and spiritual needs of men, women, and children.

Their vision: a hunger-free community where everyone in need has access to good quality, nutritious food through God's grace and abundance in Jesus Christ.

For many years, The Hope Center has served the physical and spiritual needs of those less fortunate in Hagerstown. They receive food for their stomach and spiritual food for their soul. They continue to address a growing need in that area that would be much worse if it were not there.

HOPE EXPANDED is their renovation project: to better provide for the needs and welfare of their people. Their kitchen facilities and dining area need to be modernized to assure a clean and safe environment. This renovation and expansion project will more than double their food services area which allows them to feed over 42,000 neighbors in need!

Help make this new kitchen and expanded dining area become reality. Their “Victory Goal” is \$650,000 which will provide the necessary funds to build the new kitchen and expand the dining area. They also have a “Challenge Goal” and a “Faith Goal” should they exceed the “Victory” level. All gifts are tax deductible. For more information about this project, go to: www.hagerstownhopecenter.com/renovation

You can give online, by phone, or by mail.
