As a church, we would like to join with Gabriel Network to minister to at risk pregnant women. These are women who are at risk of choosing to abort their unborn child. In order to do this, we need committed volunteers. This encompasses many different opportunities. If you would like to know more about this ministry, please see Bro. Clayton. There are interest form at the Welcome Center. This helps us to see what kind of service you might be willing to offer. With committed volunteers in place, PVBC would be able to “adopt” a pregnant woman and provide practical, emotional and spiritual support through her pregnancy and beyond.

Hi! My name is Cassy Blank and I am a missionary with Youth With A Mission (YWAM). Many at PVBC already know me as I grew up in Boonsboro and attended Pleasant Valley Baptist Church when I was a child. This August, I will be moving to Virginia Beach to staff the YWAM Discipleship Training School. For six months, I will lead, encourage, and guide young people into a deeper relationship with God, teaching them how to share the Good News with the world. The other six months, I will be creating relationships with the Virginia Beach community, sharing the Gospel with those who haven't heard it and spreading God's love through prayer walks, local outreach, and helping local churches. It is my plan to be involved in the community as much as I can with the support of my leaders and fellow staff.

I will be in Virginia for three years. I would love for you to partner with me in prayer for the Virginia Beach community, a burden on my heart since childhood. If you would be interested in getting a newsletter from me each month, please send me your email or phone number. Newsletters go out the first week of each month and include a summary of what God is doing in Virginia Beach and in my life, pictures, specific prayer needs, and a list of things I am asking God to provide. My 'Needs' list is for anyone who is able and willing to help. There are no requirements other than to join me in asking God to do what He does best - provide!

Thank you so much for considering partnering with me.

God bless you!
Cassy

Since 1955 the mission of The Hope Center at Hagerstown Rescue Mission is to offer help for today and hope for tomorrow by providing programs and services to meet the physical and spiritual needs of men, women, and children.

Their vision: a hunger-free community where everyone in need has access to good quality, nutritious food through God's grace and abundance in Jesus Christ.

For many years, The Hope Center has served the physical and spiritual needs of those less fortunate in Hagerstown. They receive food for their stomach and spiritual food for their soul. They continue to address a growing need in that area that would be much worse if it were not there.

HOPE EXPANDED is their renovation project: to better provide for the needs and welfare of their people. Their kitchen facilities and dining area need to be modernized to assure a clean and safe environment. This renovation and expansion project will more than double their food services area which allows them to feed over 42,000 neighbors in need!

Help make this new kitchen and expanded dining area become reality. Their "Victory Goal" is \$650,000 which will provide the necessary funds to build the new kitchen and expand the dining area. They also have a "Challenge Goal" and a "Faith Goal" should they exceed the "Victory" level. All gifts are tax deductible. For more information about this project, go to: www.hagerstownhopecenter.com/renovation

You can give online, by phone, or by mail.

Thank you for considering to support this worthy ministry.
