The postage rate for a one ounce letter increased today from .60 to .63. Forever stamps continue to hold their value no matter the increase.

Amazon is discontinuing their AmazonSmile charitable program on February 20. If you have been shopping on Amazon and making PVBC your charitable organization, thank you! You can continue to do so until that date. Their press release states, "With so many eligible organizations — more than 1 million globally — our ability to have an impact was often spread too thin."
