VETERANS DAY

Veterans Day originated as “Armistice Day” on November 11,1919, the first anniversary of the end of World War I. Congress passed a resolution in 1926 for an annual observance, and November 11 became a national holiday beginning in

1938. Unlike Memorial Day, Veterans Day pays tribute to all American veterans—living or dead—but especially gives thanks to living veterans who served their country honorably during war or peacetime.

Veterans Day occurs on November 11 every year in the United States in honor of the “eleventh hour of the eleventh day of the eleventh month” of 1918 that signaled the end of World War I, known as Armistice Day.

In 1954, President Dwight D. Eisenhower officially changed the name of the holiday from Armistice Day to Veterans Day.

In 1968, the Uniform Holidays Bill was passed by Congress, which moved the celebration of Veterans Day to the fourth Monday in October. The law went into effect in 1971, but in 1975 President Gerald Ford returned Veterans Day to November 11, due to the important historical significance of the date.

Veterans Day commemorates veterans of all wars.

Every Veterans Day and Memorial Day, Arlington National Cemetery holds an annual memorial service. The cemetery is home to the graves of over 400,000 people, most of whom served in the military.

THANK YOU VETERANS!
